Summary

Hello! I'm Eugene Lay

Self-driven to learn something new to further enhance my understanding. I used to be a normal academic student

I am now a Graduate student of Diploma Information technology at Nanyang Polytechnic (NYP). Specialized in different type of Programming languages, Python, C# and JavaScript to enforce my learning experience.

My Year 3 Specialization in Nanyang Polytechnic, I was taught and learned the basic of an Artificial Intelligence (AI) & Machine learning(ML) fundamental. Would continue to explore more software's and new programming languages in the IT Field.
